

Photographic Survey

No two houses are the same and so we need some information regarding yours!

Please take photographs of the following and send them to info@chilternsolar.co.uk Many Thanks!

Your home showing off street parking and desired charger location

The head of your incoming electrical supply and main fuse

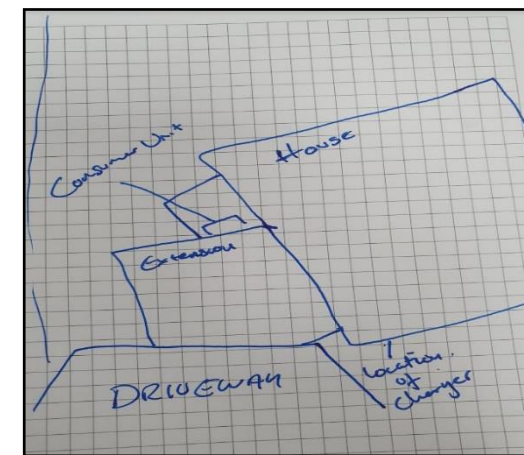

Your main consumer unit and the area around it (please show fuses)

Any sub-boards, garage boxes or any other electrical components, eg. Solar

Any soft land around the charge location for the Earthing Rod

A simple sketch of the consumer unit location with your home
